

— 2021 PETITION —

**Dear Governor Scott and Members of  
the Senate,**

**We the 10,000 undersigned**

**urge you to support legislation to  
modernize Vermont's popular  
Bottle Bill (H.175). By updating  
the law to cover more containers  
like water bottles, wine, and  
sports drinks, we can further  
reduce litter, increase recycling,  
cut climate pollution, and protect  
clean water. More than 4 out of 5  
Vermonters support exactly this  
kind of improvement in the law.**

**MODERNIZE**

**the Bottle Bill**
